**To the Free Iran Coalition/American Islamic Congress
And to those who join with them in defense of freedom**

June 12, 2010

Dear Friends,

I regret that I cannot be with you today in person. I stand with you and with men and women everywhere who gather to support free elections and human rights. The right to speak, write, and publish freely, the right to assembly and association, the right to religious liberty, the right to have one's vote counted fairly -- these are universal principles. Your courageous presence here today affirms this fundamental truth.

Sincerely,

A handwritten signature in blue ink that reads "Michael E. Capuano". The signature is fluid and cursive, with a long horizontal stroke extending to the left.
